

# KamCards®

*Trees Volume 1:*

*A work in process helping Landscape Architects  
celebrate their gifts with imagination and  
pursue knowledge to amplify God's world.*

An assemblage of technical information obtained from the  
experience of

**Kenneth Kammeyer, CLARB,**

**registered Landscape Architect and teacher at  
UCLA Extension Landscape Architecture for 30 years**

**Narration, research and photography by Katrina Smith,  
UCLA teaching assistant, horticulturist and computer  
specialist**
